

OUR STORY

In 2021, Peter and Ricardo opened Hill House Cafe, a tiny café tucked inside Nathan Homestead — just 20 seats and a whole lot of heart. Everyone said it would never work: the location was wrong, the timing was worse. Just five days after opening, New Zealand went into its longest lockdown. But instead of folding, Peter (with zero web experience) built a website, and we started baking and delivering fresh goods to our local community. People came for walks, waved through the windows, and Hill House Café became a little spark of connection in a chaotic time.

Fast forward to 2024, we received a letter from Auckland Council that we'd need to vacate Nathan Homestead due to earthquake strengthening. It was a gut punch. But not long after, Jan and Anita from The Arts House Trust offered us a new home at the stunning Pah Homestead — and in April, 2024 we moved in.

And then came the unexpected: a ride on a tractor around a 140- acre farm in Clevedon, and we instantly fell in love. The land, the villa, the animals, the vision — it felt like home. By November 2024, Farm House Café opened its doors.

Today, Farm House Café is a celebration of everything we've learned along the way — community, resilience, and the magic of shared food. We're set on a working farm with bees, buffalo, chickens, and fruit trees. We grow what we can, support local producers, and stay grounded in sustainability and heart.

From painting the first walls in 2021 with Mike and Leilana — both now proud co-owners — to welcoming you to a long lunch overlooking the paddocks, this is our story. A journey of good food, warm people, and unexpected beginnings.

You're welcome at our table now.
